VOL. VI. RENO. WASHOE COUNTY, NEVADA. MONDAY. MARCH 31, 1879. NO. 153.

Dr. Mintie's Nephreticum.

DR. MINTIE'S NEPHRETICUM works wonders. In all cases of Dropsy, Bright's Disease, Kidney, Bladder and Urinary Complaints, or Retention of Urine, these troubles are entirely cured by the Nephreticum. Female Weakness, Gravel, Diabetes, pain in the back side and loin are cured when all other medicines have failed.

See what the Druggists of Portland and San Francisco say about Dr. Mintie's Nephreticum and English Dandelion Pills:

"We have sold a large amount of Dr. Mintie's medicines; the English Dandelion Pills; also the Nephreticum, and in all cases they are highly spoken of and give entire satisfaction."

John A. Childs, Druggist, Second street, Portland.

C H Woodward & Co., Druggists, corner First and Alder street, Portland.

Messrs. Abrams & Carroll, wholesale, Druggists, Nos. 3 and 5 Front street, San Francisco, say:

"We regard Nephreticum as the best Kidney and Bladder Remedy before the public."

All Druggists keep these medicines.

For all derangements of the Liver,
Use Dr. Mintie's English Dandelion Pills.
For Billiousness and Dyspepsia,
Use Dr. Mintie's English Dandelion Pills.
For Fever and Ague,
Use Dr. Mintie's English Dandelion Pills.
Every family should keep the English Dandelion Pills on hand.

Dr. Mintie's Remedies will not "Cure all Complaints," but will, if taken according to directions, give immediate relief and perfect a cure in all troubles for which they are recommended. jan6-6m

Samples of Dry Goods.

Mr. Emrich, of Barnett Bros., received a large assortment of samples of all kinds of Dry Goods from one of the largest houses in San Francisco. Goods can be ordered by samples and they will be filled exactly and promptly. The samples consist of Dress Goods from 20 cents on, Cashmeres, Ladies' Cloth, Table Linen, French Calico, White and Light Figured Piques, Check Nansooks, and even Black Silk Velvet and Satin, Domestic Goods like Muslins, Sheeting, Spreads, Blankets, Ladies' and Children's Hose can be ordered verbal. The prices will suit the present contingency. All goods are very cheap. Mr. Emrich can be seen at C. J. Brookins' Variety Store, a few doors below the Reno Savings Bank mr21

New Store.

Having recently withdrawn from partnership, I will open a store April 7th, on the east side of Virginia street, in the building formerly known as F. C. Chases, with a complete stock of millinery and fancy goods, consisting of all the latest styles, both from New York and San Francisco, thereby enabling me to sell cheaper than ever before. It is impossible for ladies purchasing goods from my store to get anything out of style, as my stock is all new to commence with. The goods need only to be seen, they will tell for themselves. Orders for goods sent by mail or express will receive prompt attention.
mar19 MISS LIZZIE BROWN.

Money no Object.

Before calling on those one-horse Shops, come and see me in regard to prices. If you you want a few hundred feet of water pipe laid in the ground I don't charge anything for it, or if you desire five or six joints of 6, 8, or 10-inch pipe it costs nothing. All my men are men in good easy circumstances, therefore charge me nothing for labor, and, in a word, I work for nothing, board myself, and find material. Money is nothing, custom is what I want. J. M. THOMPSON,
mar22 Virginia street, Reno, Nevada.

A Card to the Public.

My object in opening in my present location is to convince the public that although without competion, I will furnish the same class of goods, at the same figures as before the fire. I have on hand first-class clothing, blankets, quilts, gents' furnishing goods, hats, caps, trunks, valises, &c. &c.

Remember the White House, No. 138, Virginia street, corner of Second.

For the Sufferers.

S. Jacob returned this morning with a large and varied assortment of piece goods and tailors' trimmings, which he will make up at his usual low rates. Now is the chance for the sufferers to get good clothes at a bargain. He has put up a small building opposite Sunderland's boot and shoe store, on Virginia street, where he can be found. mar12

A Card.

To all who are suffering from the errors and indiscretions of youth, nervous weakness early decay, loss of manhood, etc., I will send a recipe that will cure you, FREE OF CHARGE. This great remedy was discovered by a missionary in South America. Send a self-addressed envelope to the REV. JOSEPH T. INMAN, Station D, Bible House, New York dec1-1y

A REVIEW OF THE LOSSES.

We publish to-day a list of the losses by the fire of March second, in which the greatest pains have been taken to ensure correct statements in every case. In the rush and excitement of the first few days a great many inaccurate figures were given to the public, as a great many parties were unable to tell exactly how they stood themselves. This is a matter of considerable importance, as well as interest, that correct accounts should be gathered and put on file of the losses in such instances, as well as the insurance. In making the one in our columns to-day, we have worked hard to get at the figures as closely as possible. Where a man lost a house which cost him five thousand dollars several years ago, and, from the low price of labor and material, build as good a one or better for thirty-five hundred, we have put down the latter figures as his loss. There are a few who have left town and cannot be reached. We give the figures in such cases as they gave them to us at the time. Several refuse to testify, and we gather what we can in such cases from outside parties who are familiar with the property. If they are not exactly correct it is not our fault.

EDITORIAL NOTES.

The government's weather clerk is not doing the right thing by science. The timber around Nevada City has been cut off for 25 years and yet she gets more rain than any place in the mountains.

War steamers are of late years only dangerous to those on board. The telegraph brings news of the sinking of the Hoyt han gun boat, at St. Michel, with a loss of eighty lives.

A play under the title of "Baby" has received the rushing reputation of being the funniest thing in the world. Thayer has made a big hit with it in the east.

The Carson *Appeal* has discovered the son of an English nobleman in the form of a tramp doing America incognitio. But he is the man that put that girl in the trunk.

The Bodie *News* has a cheap column in which it inserts 5 lines for a dollar and a half a week.

Col. Ingersoll still lives and lectures. He probably has not heard from Tom. Fitch.

The GAZETTE is indebted to Hon. R. M. Daggett for important pub. docs.

The Bodie *News* wants to incorporate the town.

Discharge of All the Prisoners in the More Case.

[San Francisco Call.]

SAN BUENAVENTURA, Cal., March 28.—At the opening of the court this morning Judge Granger, acting district attorney, moved that the remaining prisoners—Hunt, Lord and McCart—be dismissed on the following grounds: First, because the state is taken by surprise at the conduct of the state's evidence, Jesse M. Jones, who has broken faith with the state; second, while the state can corroborate Jones, it has not sufficient evidence without him to convict; third, that the court having held Austin Brown to be an accomplice, the state has not now evidence sufficient to corroborate him and convict the prisoners. Thereupon the court ordered the prisoners discharged, and they left the court-room amid the congratulations of their friends, after an imprisonment of one year to a day, they having been arrested March 27, 1878.

[The Lord mentioned above is I. D. Lord, formerly a resident of Carson city. He had a great many friends hereabout who maintained an unshaken faith in his innocence.]

JOTTINGS

—Mrs. McKernan wants to rent a nice peice of land near Mr. Leete's ranch See 50 cent ad.

—Holt & Coffin are putting up a paint shop of their own next to Charley Chase's saloon.

—L. Wintermantle is quite under the weather. He caught cold during the fire and does not shake it off.

—The post-office has been moved back into the old quarters, which it occupied before the fire.

—The music of the saw and hammer rings out cheerily from morn till night. The work of rebuilding goes steadily forward.

—The balmy spring weather has set the garden owners to preparing the ground and sowing vegetable and flower seeds.

—The disgusting spectacle of an old drunk reeling and falling in the dirt attracted quite a crowd on Virginia street yesterday evening.

—A terriffic whirlwind struck the town just as the GAZETTE went to press. The air was full of dust which blew into the windows and doors covering everything with a musty layer.

—The foolish man foldeth his hands and saith: "There is no trade; why should I advertise!" But the wise man is not so. He whoopeth it up in the newspaper and verily he draweth customers from afar off.—*Exchange.*

—Con. McCarty was brought down from Verdi last night with a sprained ankle. While working on a flume yesterday a portion of it gave way and precipitated him to the ground. He was taken to the county hospital.

Boots for Sale.

The state prison boot and shoe shop has $35,000 worth of goods ready for the market. An agent will canvass for orders this spring. The goods are of the best quality and workmanship. A little advertising would make them go.

Fire.

A fire at Battle Mountain last week took Dusang & Mayor's saloons and a restaurant adjoining. Loss $9000.

FATAL ACCIDENT.

Two Boys Drowned in a Mill Race at Truckee.

On Saturday last two young boys aged about thirteen or fourteen years, named respectively Frank Page and William Dyer, were drowned in the mill race of the Truckee lumber company, at Truckee. It seems that they had been for some time enjoying the dangerous but novel and very exciting sport of riding logs down the race into the mill pond, in company with other equally venturesome youths of their age. The water in this race, coming directly from the Truckee river, is at once cold and deep, and at times its current is quite swift and strong. Huge logs are floated down this race to the pond which covers an acre or more of ground, where they await their turn at the saws. It requires the greatest skill combined with coolness and judgment to retain one's place on these logs, especially when, as is almost always the case, either by the peculiarities of the current or other causes they are made to revolve in the water. Experienced river-drivers find it impossible to avoid many duckings, very frequently losing their lives, and it is not at all strange that these unfortunate boys should have thus paid the penalty of their rashness.

In the absence of any definite knowledge as to the immediate cause of the drowning, it is presumed the boys were riding separate logs which collided, thus causing both to revolve, and pitching the youthful riders into the water.

Three successive attempts were made by one of their young companions (whose name our informant did not know) to rescue the drowning boys, but the current was so strong and the race so deep that the brave youngster was finally forced to abandon his efforts.

The bodies of the lads were recovered after an hour's search. Much sorrow is felt in Truckee over the sad affair.

Carson Items.

A Carson correspondent sends the GAZETTE the following bits of Carsen gossip, under this morning's date: "Dr. D. B. McKenzie, a gentleman who for several years has had charge of an inebriate asylum in Boston, and came to this coast for his health, has been delivering temperance lectures here for the past ten days, and by his earnest appeals has created great enthusiasm. Already about two hundred and fifty men, many of whom were in the habit of taking too much tea, have signed the pledge.

For the past week the theatre has been crowded by large and interested audiences, who were attracted by the Wethersby Freliques.

The Carson Reform Club (ladies) has been organized with a membership of two hundred. Its purpose is to open and maintain a reading and club room to give the boys a place to spend their evenings without going to saloons. We believe this to be undertaking with all sincerity by so many that is permanency is already established.

"Nick of the woods" will be presented to-night by an amateur dramatic association, and from preparations and new scenery, painted by your townsman Laycock, we expect a most enjoyable time."

The Deadly Mystery.

The gigantic intellect that fills up our contemporary from the columns of the GAZETTE, the Virginia *Enterprise*, *Chronicle*, and the New York *Herald*, was stirred Saturday night because the GAZETTE published an item which he could not clip. The whole thing was conceived and carried out in a spirit of pleasantry as any one can see. The poor child does not even know that potassium and sodium are identical in all but name. A reporter interviewed the *Journal's* scissors, and they think it is all right. If they are satisfied it seems as if the rest ought to be.

A Touring Journalist.

J. J. Matthews, a correspondent of the New York *Sun*, came into Reno yesterday. He has made the journey from Corpus Christi, Texas, on horseback, starting in August, 1877. He will go into California and visit Yosemite, Big Trees, the Geysers, the great mines and other points of interest. Mr. Matthews lost his hearing in a fit of fever when he was fourteen years old and is now entirely deaf.

Agricultural Society.

The trustees of the agricultural society held a meeting on Saturday afternoon. Present—C. C. Stevenson, A. A. Longley and C. A. Bragg. They visited the grounds and inspected the ruins of the grand stand, which they concluded to repair at once. The winds have moved the judge's stand off its foundations about three feet and partly turned it around. It will be replaced.

Lots of Logs.

The Pacific Wood and Lumber Co. have about four millien feet of splendid logs at the head of their railroad ready to run down to their mill.

New Trial

Sheriff Raum, of White Pine, took Frank Clifford from Carson penitetiary yesterday. He has been granted a new trial in the stage robbey case on which he was convicted.

Gone for Goods.

Burchard & McClelland got up a fine lot of French candies this morning. Mac. went below last night and will lay in a fine stock which will be put into their new store.

Trustees Meeting.

The regular meeting of the trustees of Reno Fire Department will be held at Chas. Knust's store on Tuesday evening, April 8th.

To the Good People of Reno.

Having entered the field with the balance to contend for a share of the public patronage, it would perhaps be well at the start to state our claims to the above. I am not a sufferer by the fire, so claim no sympathy on that score. I believe it's the duty of the good people to give preference to old residents, provided all things are equal, but if Brown asks fifty cents for what Smith is willing to sell for twenty-five, on the grounds that he is loser by the fire and wants to get even, the trade will naturally go to the latter. Hence I say we have no claim on the people except on those who may wish to economise. If you wish to buy your wife a fine silk dress by all means go to Emrich. If you want a suit of fine clothes go to friend Nathan's or Abrams', but if you want a "goose yoke," rat trap or jack knife go to Yankee Dodge's, where a dollar will buy a basketful. Recollect goods just as square as though sold over a marble counter. A child that can lisp out the names of the articles wanted, can buy just as cheap as an expert.

P. S.—Money will be refunded on all goods that do not prove as represented.

mr27 YANKEE DODGE & Co.

Parties having watches in Davidson's Jewelry Store, at the time of the fire can get them through Mr. Goeggle, at John Sunderlands Boot and Shoe Store, on Virginia street. Repairing of watches and jewelry done speedily and accurately. mar12-2w

Two Fire Proof Stores.

L. Wintermantel will add a story to the brick on Centre street and use it for a lodging house. The two rooms in the lower story, 23 by 72 feet, will be rented for stores. There is a good cellar under the whole building. mr11tf

Sol. Levy, who intends to open a Grand Dry Goods Store here, left Wednesday evening for New York City, where he will purchase the latest novelties of the season to fill up the immense stock which is already on the way for this city, and will be opened about the 1st of April. Don't keep this a secret, but tell it to your neighbors. mr20 1w

MRS. H. A. MOORE'S SCIENTIFIC HAIR PRODUCER.

Mrs. H. A. Moore would announce to the ladies and gentlemen who desire the pergonal adornment of a fine suit of hair, that she has patented her celebrated Hair Restorer, which has now been before the public for a space of two years, and has in every instance given entire satisfaction as to what it promises. No mineral or damaging substance is used in this preparation, and it is guaranteed to prevent hair falling out after four applications. Well-known cases of long standing baldness have been successfully treated (as per testimonials in my possession). It will produce a full flowing crop of hair on all stages of baldness, even to its most pronounced state. It will prevent hair from turning gray.
